

Experience

For more than 20 years, Techline Sports Lighting has been a nationwide leader in sports lighting solutions. From professional and college stadiums, to high school fields and municipal sports complexes, Techline Sports Lighting offers a complete range of sports lighting solutions. Our experienced in-house engineers, designers, electricians, installers, sales and support teams partner with you to provide a turnkey, state-of-the-art, virtually maintenance free LED lighting solution all at an incredible value.

Technology

Techline Sports Lighting uses the latest, state-of-the-art technology for all our LED Upgrade and New Construction projects. Our multiple pole and cross-arm options can accommodate any field, while our professional level, maintenance free LED fixtures provide amazing light quality, complete spill/glare control, and incredible energy savings!

Performance and Control

Techline Sports Lighting offers multiple performance and control options.

Instant on/off, 0%-100% dimming, multiple field control, wireless and remote options, and amazing "Action Lighting Sequences", provide complete control of the LED Lighting Experience!

With our extensive inventory, and numerous contract purchasing and finance options, we can have you up and running in no time. Contact us at (800) 500-3161 or www.sportlighting.com for your free consultation and proposal!
